All plans have been completed for the Benefit Chanukah Dance to be held by the Congregation Adath Israel, of Oakland, at Duquesne Garden, on Wednesday evening, December 5th, the proceeds of which will be given towards the new synagogue fund.

The committee in charge has spared no efforts to make this affair one of the most successful social events of the season and a very enjoyable evening is assured the large crowd which it is expected will attend. There is an urgent need for an Orthodox synagogue in the Oakland district and much interest has been aroused since the announcement that plans for the erection of a new synagogue are under way.

The charge for admission is \$1.00 per couple. Tickets may be obtained at the Congregation Adath Israel, 3241 Ward Street, or at the Duquesne Garden Ball Room, evening of dance.
