

Why Discriminating People Prefer To Shop Here As Well As Eat Here!!

Because, by shopping at our store, they take it for granted that only the finest and freshest in it's field is available here—and rightly so—as our tremendous volume enables us to offer meats and delicacies of unmatched quality, — freshly-cooked, (warm most of the time) irrespective of the time of day, night or week.

OUR MOTTO SINCE OUR INCEPTION:

FRESHNESS * QUALITY * INTEGRITY

And Speaking of Good Things To Eat

Bring the better half of the family for dinner down here, and enjoy delicious chicken, split-pea and lima bean soups . . . gefilte fish (on Fridays and Saturdays) Hot knishes filled with mashed potatoes, chicken fat and chopped liver, (Sundays) as well as steaks and chops daily under supervision of Mrs. Polonsky.
