

STOMACH CHATTER

Dear Reader!

Your stomach (and mine) is taking a terrific punishment, as we "stuff" all kinds of food into it. — day in and day out. So is it not good common sense to be more particular, and a bit finicky about this "Operation Stuffing"?

Of course it is;

And since our subject deals with "stuffing" remember, that its' unlike "Stuffed Kishke" which you can take it or leave it.

This is your own "Kishke" at stake so lend us an ear for a moment.

We cordially invite you to eat with us, whether its' a **HOT** corned beef, or a **HOT** pastrami sandwich (which by the way, is without a doubt, the finest and freshest in the City). **SO THE CUSTOMERS TELL US.**

Or have lunch with us, or a full course dinner. You will enjoy our wholesome food, and you will be money ahead, as well, (and so will we) and a nice pleasant association will be had by all. All foods, Hungarian Pastry, and strudle prepared by our Mrs. Koszka (Hungarian Cook).

For the finest foods and delicatessen
