

## *Richest Delicatessen and Restaurant Being Remod- eled and Enlarged*

For the past decade Pittsburgh's most popular "after the theatre spot," Richest Delicatessen and Restaurant, 1314 Fifth Avenue, is being remodeled and enlarged with the latest designs in delicatessen and restaurant equipment.

Starting twenty-five years ago in a small store on Logan Street, Mrs. Richest (now Mrs. Leon Mitchel' has built up a reputation and a business that is known throughout the country. She has developed and enlarged the delicatessen and sandwich shop so successfully that it grew to be the largest of its kind in Western Pennsylvania. The secret of her success was the handling of only the highest quality of strictly kosher meats and delicatessen products, specializing in hot corned beef and tongue, rolled beef, roumanian pastromi, and pepper-beef.

Richest Delicatessen offers for sale the largest and most diversified selection of strictly kosher delicatessen products available in Pittsburgh including the meat products of Hebrew National Kosher Sausage Co. of New York, Best Kosher and Sinai Kosher Sausage Cos. of Chicago, and Osherwitz and Sons of Cincinnati, to mention a few. All products are recognized as strictly kosher by the Rabbinical Board of Pittsburgh.

Now the newly remodeled air conditioned sandwich shop and restaurant is equipped and designed to give a better and faster service to their patrons. Lunches and dinners are reasonably priced and the menu offers a wide and tempting selection of kosher dishes.
