
Bickur Cholim Society:—One of the most successful affairs yet given by the Bickur Cholim Society was the tea party held Sunday evening, March 9th in the Beth Jacob Synagogue. The untiring efforts of the officers and committee in charge of the affair were rewarded in view of the particularly large and enthusiastic number of members and friends of the society who attended and helped swell the fund with which the organization can further its plans for the conducting of a "Bickur Cholim Convalescing Home" in addition to continuing its splendid work among the needy sick. The officers hope to make some definite announcement regarding the "Convalescing Home" in the near future.

A complete detailed report has not yet been rendered but it is expected that the total proceeds of the affair will amount to approximately four hundred dollars, of which amount \$308 was realized through the auction of cakes donated.

The Society thankfully acknowledges receipt of the following donations: Mr. and Mrs. B. Kann, of Baywood Street, \$25.00 in honor of their twenty-fifth wedding anniversary; through Mr. Raffel, William Lieber of Ena, Pa., donated \$5 in honor of the birthday of his grandchild and \$5 in memory of Oscar Leff; through Mr. Raffel, Mr. Tobias donated \$2; through Mrs. Layton, Mrs. Finkelstein, of Duquesne, Pa. donated \$25; Mr. Silverblatt, of Empire, Pa., donated \$5, and Mr. S.
