
New Annex Opened by Squirrel Hill Restaurant

With the opening of an annex next door to their restaurant at 2014-16 Murray Avenue, Abrams and Friedman now have one of the most beautifully decorated and largest dining places in Squirrel Hill.

During the past three and a half years Mr. Eugene Friedman and Mr. Sammy Abrams have seen their restaurant develop into a highly successful and popular eating spot. Always crowded, the rooms yet maintain a quiet, intimate atmosphere that is a welcome change to the inveterate restaurant goer. Courteous, efficient service from unobtrusive waiters lends a continental air.

However as with all good restaurants this one's reputation is based on carefully prepared, delicious food. People have come to expect and receive food that is truly unusual. Kosher styled meals are a specialty.

Weddings and banquets can now be served in the new annex which can accommodate over a hundred and fifty persons.

Those who enjoy good cooking and real cocktails are invited to attend the formal opening this week of the new annex.
