

Bickur Cholim finalizes JFCS grant

The Bickur Cholim Convalescent and Nursing Home and the Bickur Cholim Society of Pittsburgh, finalized their \$100,000 gift to JF&CS at their 56th Annual Meeting, held at Rodef Shalom Congregation May 20.

The purpose of the grant was to assist JF&CS to relocate permanently in Squirrel Hill. The Agency recently relocated to newly decorated temporary quarters at 1133 S. Braddock Ave., which they will occupy until plans are completed and funding available to build the facility in Squirrel Hill.

Ronald Kottler, president of the Bickur Cholim Convalescent and Nursing Home Board, presented the last installment of the grant. Rose Bovitch, Francis Sharpe and Dorothy Buncher of the Bickur Cholim Society were instrumental in the development of the grant to JF&CS.
