

# Elizabeth Steak House Opens

---

Last Saturday evening, February 4th, Mrs. Elizabeth Seabright, well-known Pittsburgher, formally opened "The Elizabeth Steak House", at 1600 Center Avenue.

Mrs. Seabright has made countless friends through her association with similar enterprises in the past who will be pleased to learn of her new venture. The Elizabeth Steak House will be conducted as a first class steak house with honest-to-goodness home cooking. Mrs. Seabright will be pleased to meet her old friends in her new location. Phones for table reservations, Grant 10431 and Grant 9765.

During the course of the opening last week, a suggestion was made that a collection be raised for the relief of the striking miners. A generous response followed, \$70 being collected, the first donation of \$10.00 having been made by Mrs. Seabright.
