GRATITUDE

the Pittsburgh Section, National Council of Jewish Women acknowledges the gift of the Bessie F. Anathan Foundation, to be known as **"The Simon J. and Bessie Frank Anathan Center for Older People."** The 3-story building will be suitably renovated for the needs of the aging. Council's "Lounge for Older People" became a Section project 13 years ago; it was the first such recreational facility in Pittsburgh. It will move to its permanent home in the spring of 1963.

Mrs. Simon J. Anathan a Council member since 1928, has been an inspiring supporter of the project since its inception. This gift, a memorial to her husband, Simon J. Anathan, is accepted with heartfelt thanks. Her wisdom, graciousness and generosity are deeply felt by Council and the senior citizens who participate in the program.
