

MYER'S RESTAURANT WILL BE MODERN AND UP-TO-DATE

On Tuesday morning, November 1st, the old-fashioned Myer's Restaurant, formerly located at 912 Fifth Avenue, will open its doors to the public at their new location, 614 Penn Avenue, under the management of Mrs. Dina Myers. It will be under the supervision of Jack Marks and Morris Sherr, two very well-known young Pittsburghers.

The best home-cooked foods will be served from an up-to-date, sanitary kitchen and modern bakery. Patrons can be assured of every comfort and service.
