# Little Hungary Restaurant

---

Special interest has been given to the announcement of the opening of the Little Hungary Restaurant at 1321 Fifth Avenue, on Sunday, March 6th. The restaurant has been entirely renovated and remodeled and the equipment and fixtures arranged in the most modern manner.

The cuisine is under the personal direction of Mrs. Joseph Klein, who is well known in this city as a culinary expert. In addition to a complete menu, particular attention is called to the pastry department, where fine cakes, pastries and strudel made by Mrs. Klein will be served.

Catering for parties, banquets, dinners and other social functions is assured prompt and courteous attention.
