

NEW LIGHT SISTERHOOD DONOR LUNCHEON - APRIL 28, 1968

Dear Rabbi Miller, Cantor Labovitz, Honored Guests:

This is a wonderfully joyous day for Sisterhood. In the intimate warmth of our Sisterhood members and their guests we bring to a close our fund-raising efforts for this year on behalf of our beloved congregation. Our many months of hard work are today rewarded with a lovely party and an exciting report of our accomplishments.

Each year brings added demands on each of us. Worthy causes enlist our energies and our monies. Deserving as they all are, we recognize that Sisterhood should and must come first. This is not a charitable institution - in serving our congregation, we serve ourselves, our homes, our husbands, our children and, above all, Judaism itself.

Our dedication to the synagogue is a vital part of our lives. By our involvement we hope we are making ourselves and our families better Jews, better Americans, better people.

To the Donor Committee which has done a magnificent job - to the chairmen of this beautiful day - and most importantly to each of you for your generous support .....on behalf of Sisterhood, I offer heartfelt thanks.
