
B'NAI ZION CONGREGATION OF HOMewood

The regular meeting of the B'nai Zion Congregation of Homewood was held Sunday, February 6th, 1921, at the office of the Belmar Moving and Storage Co. The Building Committee reported splendid progress. The Membership Committee reported twenty-five new members. The Hebrew School is doing very well and the enrollment continues to grow. The drive for more members will continue until the goal is reached.
