

## THE RESTAURANT

The restaurant and soda fountain are now open, under the management of Mrs. Wm. Haber and her son, Maurice Haber. Special Sunday chicken dinners are being served for 75 cents, and beef dinners at 50 cents. Mrs. Haber is widely known for her excellent cooking. She also makes a specialty of pastries and delicacies. Short orders will be served at any time. Under the new policy, the restaurant will serve milk foods as well as meat foods, and the patrons are requested to co-operate in maintaining "Kashruth". The restaurant is supervised by a special committee, composed of Mrs. Chester H. Lehman, chairman; Mrs. Louis Caplan and Miss Hannah Olbum. The committee will co-operate in the preparation of menus, service and other details which will add to the attractiveness of the place.
