# **“Y” Cafeteria Increases Service for Students**

---

In its efforts to accommodate the student patronage of Pitt and Tech the “Y” Restaurant has added two more waitresses to the regular staff, in order to give quicker and more efficient service. This will allow students who have but one hour for lunch sufficient time to eat and get back to their classes with ease.

A \$3.25 students' lunch card is being offered for \$3.00, thus enabling a regular student diner at the restaurant to effect a substantial saving in lunch bills. A student lunch is also being featured for 50 cents, offering a complete daily change in menu.
