

RESTAURANT SUMMER FOOD MENU PLANNED

Featuring a complete line of tasty dairy foods with a large variety of dishes, the "Y" Restaurant announces that it will continue to operate throughout the summer months. The Association dining room has achieved an enviable reputation for service and quality under the management of Maurice Haber. During the summer months, in addition to the choice of many cooling drinks and dairy dishes, special attention will be given to family dinners on Sunday, as well as to large organization functions and private banquets.
