
"Y" RESTAURANT

The high quality of food and service with which the "Y" restaurant has served its patrons throughout the year will establish it as a happy meeting place for "Y" members and their friends during the summer months.

The staff again plans to serve special lunches during the day and family groups can enjoy a home cooked meal with all the comforts of home, when dining out.

The dining room is open every day until 9 o'clock except Friday and Saturday evenings.
