
Rudy's Restaurant Reopens

"Rudy", proprietor of Rudy's Restaurant, at 238 Diamond Street, wishes to announce to his friends that he is now open for business after that most disastrous fire which compelled him to keep his place of business closed for a short time. "Rudy" will do his utmost in restoring the same service that he gave to his patrons in the past. The home of excellent cooked meals, lunches and refreshments is eager to welcome you back again.
