
Good Food At Rudy's

Rudy Secher of Rudy's Restaurant, 238 Diamond Street, remarked that he owes his wonderful success to the encouragement he has been receiving from his patrons and friends and wants to thank them all for their best patronage, and hopes to have the pleasure of serving them in the future.

Rudy's is known for their superior quality food and service. Rudy's restaurant is the only Jewish restaurant that does their cooking by steam. Steam-cooked foods are healthy, tasty and clean. Rudy's specialize in sandwiches, salads, plate luncheons and dairy specials. They also specialize in a "Blue Plate" luncheon for fifty cents which will be served all day.

Try Rudy's for your next meal and you will be sure to make it your regular headquarters for lunch and dinner.
