### **New Haddon Hall Dining Room**

The new Haddon Hall dining room was opened this week by Meyer Charlie and Gill Elovitz where the finest dinners and late suppers will be served. Known for their experience in preparing good steaks and fine sea foods, you are assured a satisfying meal at all times. Their large dining room can also accommodate private, noon or early afternoon lunches, or small party gatherings. Located at 4730 Center Ave. it is an excellent location where bothersome parking is avoided.
