

To the Jewish Community of the Pittsburgh District

As you probably know, the F. & F. Delicatessen, 2113 Murray Avenue, Squirrel Hill, has been serving strictly kosher meals since the Passover holidays. All cooking is done under the supervision of a capable mashgiach appointed by the Vaad Hakashrus and the Rabbinical Council of Pittsburgh. The response of the community has been very favorable, showing conclusively that there has been a demand for a strictly kosher restaurant in Pittsburgh.

Following is the dinner menu for Sunday, April 15:
