

As President of the B'NAI ISRAEL SISTERHOOD at this, ITS 25TH ANNIVERSARY, I want to paytribute to that valiant Mother in Israel, MRS. BARNETT DAVIS, who, imbued with love for, and loyalty to, traditional Judaism, CONCEIVED the idea of our Sisterhood and by her untiring work and wise counsel, ably assisted by her successor in office, Mrs. I. L. Scheinman, NURTURED and SUSTAINED it and made this SIMCHA possible. 70

I feel, Mrs. Davis, that your successors in office and ALL Sisterhood members, inspired by your enthusiasm and accomplishments, will see that your work shall NOT have been in vain but will nobly CARRY ON, so that OUR Sisterhood will EVER BE your pride and joy and a living and vital asset to ALL Jewry. 55

DIANA B. (Mrs I. L.) GIFFEN, President. 7
