Gentlemen:

The Sisterhood of our congregation is establishing a new Gift Shop - a complete room which we intend to develop into a major project on behalf of our congregation and community. Naturally we would like to do this in a very significant fashion. Any assistance and consideration, therefore, that you can give to Mrs. Jack Berman and Miss Sue Schreiber (who are the prime movers in this project) would be most appreciated. We would appreciate your sending us, at this time, catalogues and brochures and any other specific information or materials you may have.

If there is any further information you may need, please do not hesitate to let us know.

Sincerely yours,

CONGREGATION B'NAI ISRAEL
