All-Professional Program

at Beth Shalom Social Hall, Beacon Street

Sponsored by

B'Nai Emunoh Congregation

Admission \$1.00, including tax

Greetings from

THE PRESIDENT OF THE SISTERHOOD

Once again we gather to spend a pleasant afternoon together on another occasion, that of our Third Donor Luncheon. I hope that this afternoon will bring both pleasure and enjoyment to all of you, and that it will also signify to you what the members of the B'Nai Emunoh Sisterhood have done, yesterday and today, and how they shall continue to march triumphantly through many years to come.

Twenty years ago the B'Nai Emunoh Congregation began, consisting merely of a congregation which came to the synagogue for worshipping purposes only. Today, we take pride that we maintain a Sunday Religious School, supported by a formidable and growing Sisterhood, and can also boast of an alert and aggressive Men's Club. Thus we have included educational and social groups in our organization.

In order for our Jews of tomorrow to carry on the sacred ideals of Judaism, the children of today must be educated. This task has been undertaken by the B'Nai Emunoh Sisterhood. At the present time we have a large enrollment

of children and a membership of 145.

Now, I wish to thank and congratulate the Sisterhood members, Sunday School chairman and her committee, the officers, and also our teachers for their splendid devotion. Without the aid of every member—without their full faith and support—these advancements which we have made could never have taken place.

The future of our young can be as we, ourselves, make it. It is up to us to work together—not as individual people, not as individual organizations, but as a **United B'Nai Emunoh Organization**—to strive and reach that future which shall be as bright as we have the courage and determination to make it.

“Our goal now is a Shule for our community.”

On behalf of the B'Nai Emunoh Sisterhood I would like to extend my heartfelt best wishes to everyone, and express my deepest appreciation to those whose efforts are the maintenance of the B'Nai Emunoh Sisterhood and Religious School.

(Mrs. Elias) EVA AUSSENBERG
President B'Nai Emunoh Sisterhood

Greetings from
SIMON M. ROSENTHAL

President B'Nai Emunoh Congregation

It affords me great pleasure as President of the B'Nai Emunoh Congregation to extend greetings to the B'Nai Emunoh Sisterhood on this meritorious project—their Donor Luncheon. This effort on the part of the Sisterhood will, no doubt, strike a responsive chord in the hearts of all spiritually inclined Jews as the funds thus acquired will be used to further the necessary activities of the Sisterhood.

It is probably little known of the part played by the B'Nai Emunoh Sisterhood in furthering the educational achievements of the children entrusted to their care by reason of which these children, as the result of the knowledge imparted to them, are bound to become better Jews and better citizens.

By reason of the untiring and indefatigable efforts of each and every member of the Sisterhood who gives unselfishly of her time and energy to further the teachings of Judaism, no better inspiration can be given them than by the financial support extended them to carry out their many important undertakings.

I personally extend my sincere thanks to those who, by their contributions, have given every encouragement to the B'Nai Emunoh Sisterhood and thereby assured a continuance of their efforts to carry on their meritorious religious projects.

Greetings from Mr. H. H. Kimel

RELIGIOUS SCHOOL SUPERINTENDENT

Throughout the years that the B'Nai Emunoh Congregation has served this Jewish community, our Sisterhood has been an organization of which we have always been proud. From its very inception, the activities of our Sisterhood have been dynamic, and they have functioned not only in promoting religious programs to supplement that of the Congregation, but their contributions to philanthropic, educational, social and patriotic activities have been most effective and instrumental in bringing honor and recognition to our Congregation and to our Jewish community. Our Sisterhood program is always bubbling with activities, whether these activities be in the nature of a bingo, a donor luncheon, a program for the Religious School, or just a social affair centered around the confines of our Synagogue. Much of this success is due to the fine stimulation of the progressive officers of this organization whose wise judgment and ardent labor serves as a shining example of good leadership.

The operation of the Religious School, which is the sole responsibility of the Sisterhood, deserves special recognition. It is a school of which our Congregation can be proud and in spite of crowded conditions and limited facilities, the curriculum and program of this school is the envy of the Southwestern District, of which it is a part. For most children in our community attendance at our Religious School is the only means of their getting some form of Jewish education, and this vital need is met by the hard work and careful supervision of our Sisterhood.

Congratulations on your present achievements and best wishes for continued success.

H. H. KIMEL.

Greetings from

NATHAN LEVITH

President of the B'Nai Emunoh Men's Club

I am happy to greet you, the Sisterhood of B'Nai Emunoh Congregation, in connection with your Donor Luncheon. Knowing of your wonderful record of war service work, your praiseworthy achievements in upholding the ideals of Judaism, and aware of your developments from year to year, I know that your present affair will be as successful as all your other undertakings have been.

I feel sure that the B'Nai Emunoh Congregation will succeed in reaching its goal with the cooperation and continued help of the Sisterhood and Men's Club.

Oh! say, can you see, by the dawn's early light
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight
O'er the ramparts we watched, were so gallantly streaming
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh! say, does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?
