Dear Friend:

Please excuse this informal style of communication but time is of the essence and this medium conserves time. Because of your previously demonstrated interest in our Jewish history project, we would like you to join us at lunch at 12:00 in the Press Club, 300 Sixth Avenue, Downtown, on Wednesday, June 25.

The purpose of our luncheon meeting will be to establish the Western Pennsylvania Jewish History Foundation. We shall review the progress of the activity to date and we shall consider ways and means of developing financial support.

Please call my office (621-6566) and leave word whether or not you can attend.

With best wishes,

Sincerely,

Vig
