**JEWISH WOMEN'S League announces the Mikvah in Squirrel Hill is ready for use after refurbishing.**

**N**ewly refurbished "with materials and equipment to produce a kosher and pleasing facility," according to Mrs. Howard Balsam and Mrs. Sidney Gross, the Mikvah of the Jewish Women's League for Taharath Hamishpoche is back in full operation.

With many devices and mechanical operations designed for the safety and comfort of users, the Mikvah is the culmination of years of effort on the part of the Jewish Women's League.

The Mikvah, on the corner of Pittock Street and Shady Avenue in Squirrel Hill, was designed by Nick Welner, consulting engineer, in consultation with the building committee.

Mr. Welner is a consultant on engineering structures. A graduate of the University of Birmingham, England, he was advisor to the Israeli government on water pipelines in the Negev. In addition, he did design work for the Niagara Falls Hydroelectric Works, as well as designing buildings in the tri-state area and Canada.

The Jewish Women's League welcomes public inspection of the Mikvah. Arrangements may be made with Mrs. Balsam (421-0315) or Mrs. Gross (521-0822).

## Congregations

**ADATH JESHURUN Synagogue** announces its first alumni reunion for all of its former religious school students who are now either high school seniors, college freshmen, sophomores, or juniors.

This event will take place on Tuesday night, Dec. 28, at 8:15 p.m., in the Adath Jeshurun social hall.

This informal gathering will enable both the students and the faculty to reminisce about old times and talk about their present and future plans.

**A. Handley**

Invitations have been sent to most of the students, but for those who have not been contacted, please call either Anita Handley at 781-1199, or the Adath Jeshurun office at 361-0176, to make reservations.
