

# A Joint Declaration

In recognition of the continuing necessity to educate the Youth of our generation in the positives of Torah Judaism, we the Presidents of the undersigned Synagogues have declared Tuesday, April 28 (22 Nissan, 5730) as Yom Yeshiva Gedolah -- Talmudical College Day--in Pittsburgh.

To effectively demonstrate our concern for and our appreciation of the dynamic growth of the Talmudical College of Pittsburgh, we, the undersigned, are dedicating our Achron Shel Pesach Yizkor Commemoration to fruitful expression of the esteem in which we hold the Talmudical College of Pittsburgh.

We are impressed by the progress of the Talmudical College and Mesivta and are challenged by the potential of the Yeshiva Gedolah. We want to share in its growth and dramatic impact in our community.

Ours is the privilege to stand united in support of this and other Torah-true institutions in this Metropolis. The responsibility of the hour brings us to this joint action.
