HERBERT M. MANDEL

Vice President
GAI Consultants, Inc.

GAI Consultants, Inc. is pleased to announce that Herbert M. Mandel has joined our firm as a Vice President.

Formerly an employee and officer of Parsons Brinckerhoff, Herb brings to GAI over 37 years of experience in rail transit systems, bridges, highways and related structures. His initial involvement will be with major bridge and highway projects, but he also will guide the firm's pursuit of rail projects.

Herb Mandel earned his B.S. from Virginia Polytechnic Institute and his master's degree from Yale University, both in Civil Engineering. He is a Fellow of the American Society of Civil Engineers, and is also a member of the American Railway Engineering Association, the National Society of Professional Engineers, the Society of American Military Engineers, and the International Association for Bridge and Structural Engineering. He is currently a regional vice-chairman of the Pennsylvania Society of Professional Engineers practice division, Professional Engineers in Private Practice.
