BENJAMIN LENCHER
PRESIDENT JUDGE

November 1, 1947

Dear Fellow-Member of Temple Sinai:

It is our happy privilege to confirm officially the good news you have doubtless heard - Temple Sinai is to be housed in the beautiful structure known as the Worthington Mansion at the corner of Forbes and Murdoch Streets. All legal negotiations will have been completed by the time you receive this letter, and our officers and committees are busy in the preparation of plans for occupancy and use just as speedily as is possible. Of course you want to see this fine and beautiful structure in which we hope to spend many happy days and years of worship and fellowship.

We know you are anxiously awaiting the chance to see the building and its facilities. For that purpose, Temple Sinai will have open house on Sunday afternoon, November 9, from twelve noon to four o'clock, when all of us will have the opportunity to inspect the grounds and premises. We shall be happy if you will join the rest of the Temple Sinai family on this joyous occasion.

With all good wishes,

Cordially,

Benjamin Lencer
President
TEMPLE SINAI
