ELECTION OF THESE UNBOSSSED CANDIDATES MEANS:

CLEAN GOVERNMENT • BUSINESS-LIKE ADMINISTRATION • A DOLLAR'S WORTH FOR THE TAXPAYER'S DOLLAR
KEEPING POLITICS OUT OF THE COURTS • UNBOSSSED PUBLIC OFFICIALS • AN HONEST DEAL FOR YOU

Democrat Bosses Want To Purge And Control The Courts

In its campaign advertising, the Democratic machine tells voters: "There's a Reason." But they supply no reason why Allegheny County voters should turn against the present sitting judges and the able, experienced attorneys who together comprise the Republican judicial ticket.

It's easy to guess why Democrat bosses want to seize control of the Courts, with their direct influence over the Public Schools and other vital matters, as well as the administration of justice. Wise voters will support the Republican judicial candidates in keeping politics out of the courts, in preserving the independence and integrity of the judiciary.

You Want A Sheriff And Coroner Who Will Be Fair To ALL

The Sheriff is the principal peace officer of the County. Both he and the Coroner are semi-judicial officials. Both should be free of any taint of machine politics. They should be independent, unbossed. Democratic candidates for these offices, as well as all others, are hand-picked, boss-controlled. And for Sheriff, their candidate is also disqualified because of his position as a representative of a labor faction. Can voters expect him, in time of emergency, to be fair to other factions of labor, to management, to the public?
