OUR DARLING GRACE.

*Three year old daughter of John B. & Annie B. O'Malley
Died Feb'y 14, 1894.*

Over the soft, rippling waters,
 One dreary and sad winter's day,
 Glided a little, white shallop
 Out into the heavenly bay.

Angels were guiding the vessel
 Away to a beautiful shore,
 As from our loving embraces
 Our sweet little Gracie it bore.

Never was seen such rare splendor
 Far over the waters to float,
 As when our sweet little darling
 Was carried away by that boat.

Never had heaven reflected
 A brighter, more glorious ray,
 Than when the angels were leading
 Our dear little Gracie away!
