Dear Friends:

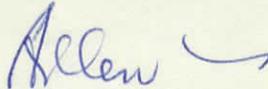

Thank you very much for your letter of October 16th about Sam's painting, "Fleeting Substance." Both Selma and I are very proud to say now that we own a Rosenberg and hope that you are as pleased as we are to have it hang in our home. Selma has told me that you are preparing a suitable legend about the painting. We hope you will include appropriate information about the artist because we would like to affix a copy of such legend on the back of the painting for reference purposes.

I know that Selma has talked with Libbie about changing the frame, and we are satisfied to have you handle this matter as you discussed with Selma and as you indicated in your letter of October 16th. Needless to say, we have no desire to impose on Sam any burden with respect to changing the frame, knowing that he is still convalescing and under doctor's instructions.

As soon as Sam feels well enough, both Selma and I would like to have you folks join us for dinner and an evening at our home.

Meanwhile, with my best wishes and warm regards, in which Selma joins, I am

Cordially,

Allen H. Berkman

P. S. Enclosed please find my check #7364 in the amount of \$2,120.00 to cover the purchase price and the 6% Pa. Sales Tax, per your letter of October 16th.
