

Carnegie Institute of Technology

Schenly Park - Pittsburgh

Office of the President:
Arthur A. Hamerschlag

September 3, 1918.

To Whom It May Concern:

Samuel Rosenberg has been a student of the Carnegie Institute of Technology for a number of years. We have always found him conscientious, honest, and eager to master his studies.

He is a young man of good habits, morals, and character, and we hope that his career in the army will give him an opportunity to show the sterling qualities which he has displayed as a student.

Very truly yours,

(Sgd.) Arthur A. Hamerschlag

President.
