A Reminder of the good ice cream & cake served to us at the Junior Play, as a reminder of the dinner they were to give us between acts but which the Dean would not permit

(Tune "Tommy Atkins")
Here's good luck to you Gerbundes,
Take best wishes from us all,
Be a credit to your training,
And a pride to Radnor Hall,
We are certain you can do it
Just you prove it once again
Remember you are playing
For Bryn Mawr and 1910.

Could anyone possibly play poorly with such an ode written to ~~them~~ her a day before the first match game of hockey that she ever played? Strange as it may seem, 1910 lost!!
