Pittsburgh, Pa.

Dear Sir:-

In order that we may assist you in completing the details in connection with your trip abroad, I am pleased to give you the following information which I trust will be of interest.

SAILING DATE. The steamer "AQUITANIA" is scheduled to sail from New York Wednesday night April 18th; and passengers can embark any time after 8 p.m.

BAGGAGE. We would suggest that baggage be checked direct to the pier. This can be arranged with your local baggage agent, and it would be advisable to forward your baggage the day previous to your leaving for New York. Instruct the Baggage Agent to check your baggage to The Cunard Steam Ship Company Limited, Pier 54, North River foot of West 14th Street, New York City. It would also be advisable to claim your baggage at the Pier on the morning of April 18th, so that same can be checked and placed in your room before your arrival at the steamer in the evening. Baggage tags and labels will be prepared to place on all baggage. All trunks taken into the rooms must not exceed 25 inches in width. We also have a baggage room conveniently located on the steamer where passengers can have access to their baggage at all times.

TICKETS. All railroad and steam ship tickets will be prepared and furnished through this office, and will be ready for delivery shortly after April 1st. For those residing outside of Pittsburgh, tickets will be forwarded by registered mail.

WESTBOUND "BERENGARIA" May 5th. The steamer sails from Cherbourg May 5th, and it will be necessary that you communicate with our Paris Office which is located in the Grand Hotel, who will be pleased to furnish you with full information regarding your departure from Paris, and exact sailing hour from

Cherbourg; they will also arrange for the checking of your baggage, etc. The steamer is scheduled to arrive back in New York Friday morning, May 11th, weather permitting.

DINING ROOM AND DECK CHAIR RESERVATIONS. All arrangements have been made for your Dining room reservations. It will be necessary that you apply to the Assistant Chief Steward after embarkation, who will assign seats at your table. All reservations are held in your name, and make your applications accordingly. This also applies to deck chair reservations.

If there is anything you do not understand, do not hesitate to communicate with this office.

Yours very truly,

THE CUNARD STEAM SHIP COMPANY LIMITED.
