Dear fellow members:

It is a great honor to serve as your President during our 60th Anniversary. With everyone's help and cooperation the future of Temple Israel will be more secure. We have our new vestry room and the downstairs chapel so all that is needed now is you.

Best wishes,
John Perelman
President

I commend Temple Israel for reaching this very important benchmark — the Sixtieth Anniversary of its founding. The dedication shown by the men and women of Temple Israel toward their institution, toward Judaism, and the people of Israel, is very apparent. It is through Temples like ours that American Judaism lives.

I wish the congregants of Temple Israel another 60 wonderful years!

Warmly,
Richard Baroff
Rabbi
