Mr. Marcus Feuchtwanger  
New Castle, Pa.

Dear Mr. Feuchtwanger:

Please accept our hearty good wishes  
on the occasion of the dedication of the Temple Israel.

We are sure that the new Temple will be  
a source of pride to the Jews of Western Pennsylvania,  
as well as to the members of your congregation. We  
will be happy to have you contribute a statement re-  
garding the new Temple for our next edition, as we feel  
that some publicity at this time will be most appropriate,  
and would also thank you to send us a program of the  
activities for dedication week, together with any other  
material you may desire to have published.

With kindest personal regards, we are

Yours very truly,
