

Tree of Life Sisterhood

Wed. Sept. 6, 1972

Installation

Thank You Marilyn ^{Flower} for a lovely
installation ceremony.

I am truly honored and filled
with a great amount of pride
to once again be installed as your
Sisterhood President. I assume
this office with all the honor,
dignity and responsibility that the
presidency affords.

I have always had a great deal
of interest in Sisterhood, and even
though I do not live here in Oil
City, I have always felt very much
a part of it. However, it is rather
hard to have all the personal contact
I would prefer and to over-see
the many little things that need
attention. But with your
continued help and cooperation, I
feel sure we will have another
full and challenging year.

I want to welcome all of you to our first meeting of the new year. I know it is hard for us all to see the summer end, but, ~~to let each other see~~ ^{it is} ~~it is~~ ^{once} again time to get back into the swing of Sisterhood affairs.

To start our meeting tonight we will have a prayer by Mrs. Philip Fried, wife of our new Rabbi. Will you please remain standing for the salute to the flag, to be followed by a moment of silence for the slain Israeli athletes. ^{I think it would also be appropriate to sing Hatikvah. The words are in the back of your program book if you need them.}

any more photos

We would like to welcome at this time our two new members, Mrs. Charles (Renee) Heyman and Mrs. William (Sharon) Sobel. ^{or Mrs. Fried} We are very happy to have you ^{both} with us tonight. We are sad too to announce that Sharon and Bill Sobel will be leaving us very soon. We are all very sorry to see them go, but do wish them much success in their new home.

We will need a new corresponding secretary. --- so please be thinking about this.

1. We will now have the minutes of our last meeting --- Mrs. Adelson.

Thank you
Are there any corrections or additions?
Then the minutes stand approved as read.

2. May we now have the treasurer's report. Are there any questions?
This report was read for your information and will be placed on file.

3. Is there any correspondence?

4. Are there any reports to be given this evening?

go down list in book.

5. Is there any unfinished business?

6. New business --- over

6. New business Year books

We have made a few changes in the year book in the hope that it will be easier to read and understand.

I would like to thank Shipby Samuels for ~~redeeming~~ taking over the job of year book chairman. It was the first time she ever worked on the year book and I thank she did a wonderful job. ^{Thank you Shipby.} She was assisted by Ruth Kessler and Freda Friedman.

We were not able to call everyone before putting their name under a committee, and hope that everyone be willing to do their job.

If you are not able to do the job that ^{was assigned to} you ~~will~~ ~~assigned~~ would you please find a replacement.

Are there any questions?

This past Sat. night Rabbi Fried conducted Selichas services which are always a prelude to the High Holydays. Before services Rabbi and Mrs. Fried ~~provided~~ provided refreshments for all those who attended. I understand her pastries were delicious.

Thank you Mrs. Fried for that wonderful treat.

We would like to offer our congratulations to:

Mr. & Mrs. Jerome Silverman on the marriage of their daughter Susan this summer.

to Mr. & Mrs. Stan Regal on the marriage of their daughter Sheri.

Also - our ~~our~~ congratulations
to Mr. & Mrs. Morton Teig and the
Teig family on the Bar Mitzvah

I hope I haven't left anything out.
Have I?

Thank you all,

Thank you all for the
for the lovely invitation to
for the meeting. We can't wait
to go for the day. I'll be
with you all. Love, Mary

I would like to thank all those who helped prepare the lovely reception held for Rabbi and Mrs. Fried in August.

Anne Dennis was responsible for ordering the pastries. Sadie Adelson ordered our center piece and helped Dorothy Goldkey put the skirt on our lovely tea table. Ray Teig saw that the waitresses ~~were~~ here and Evelyn Snyder took care of the coffee, tea, sugar, etc. Freida Friedman and Molly Broide helped also with the details. This is one of those instances where cooperation ^{not teamwork} was needed and the results were very lovely. Thank you all.

Marilyn Regal was responsible for the darling invitations sent out for this meeting. She composed the poem and helped Sharon Sobell send them to all members. - Thank

you Mary

If you noticed in your Year Book under "Chairman," we ~~do~~ have not listed "Bazaar" this year... mainly because we do not have a Chairman.

We also did not list "Program" since we do not have a Chairman for that job. If any of you would like to take either job, we hope you will speak out this evening. As for Program if we do not have a chairman, I hope all of you will keep your eyes opened and call me if you think you know of a good program so we can follow it up.

Are there any comments on the Bazaar?

Nothing that I thought we should decide on is the Art Auction. If we decide to go ahead with an auction, then plans must be started. Kay Teis who worked

on the auction this past
May is going to give us her
views

Since our next meeting in Oct.
will be an open one with
Hadasah. I thought we
should make our decisions
tonight.

Kitchen - waitresses ^{at last Bar Mitzvah} mentioned we
need large knives -

I believe rules should be revised.

most times Bar Mitzvah parent hates to ask
friends to be in kitchen and hates to ask those
not her close friends.

Is it necessary for someone to be there all the
time when waitresses often know more
than Sisterhood member -

inventory?

Another project has come up.

Over the summer we ordered new material for table cloths. We have two bolts of ^{different colored} cloth one for mitching (affairs) and one for fleashting. However, ~~they~~ the material has to be cut. Can we set a special evening for members to come with flunking shears?

Our hostesses this evening were under the chairmanship of Mrs. Julius Stahl. We thank them ^{very} (in advance) for a delicious dessert and ^(tea table). The names ^{of the committee} are listed in the book so I'm not going to read them all.

(Are there any other announcements or comments?)

Have one - I would like the meetings to be scheduled for 8:00 instead of 8:15 and start promptly. This

It took the meeting is adjourned. Means I have to leave around 7:00

so I assume you can all be
here by 8:00. Are there any
comments? If not --- all
future sisterhood meetings
will be held at 8:00 sharp.

future

If there is nothing else,
the meeting is adjourned.
