Dear Lynne,

Let me now thank you once more for all the loving efforts which you put into the new Torah mantles. The embroidery is beautiful and I know that these mantles will be enjoyed by the Congregation for many years to come. Everyone in the Congregation will be most grateful to you for all that you have done to make this grand addition to our Temple possible.

We intend to dedicate the Torah mantles on Friday evening, October 8th, at our Simchat Torah Service, which will be held at 7:30. Through this letter I would like to invite you to participate in that service by reading a portion of it and by carrying the Torahs in the procession. In this way you will be the first members of the Congregation to bear the Torah with the new mantle, and that honor certainly is due you.

The pages which you are to read are attached and marked. We will meet in my study at 7:15 in order to go over the service again briefly and then to enter the pulpit together.

During the Torah Service, you will be following Rabbi Staitman or Mr. Simon, our School Principal, as the procession of Torahs and children winds its way around the Temple.

I am looking forward to seeing you during the holidays and, of course, on Friday, October 8th. Irene joins me in good wishes for the New Year to you and your family.

Sincerely,

Walter Jacob
