

**WESTERN PENNSYLVANIA AUXILIARY
FOR EXCEPTIONAL PEOPLE**

The Western Pennsylvania Auxiliary for Exceptional People gratefully acknowledges your kind and generous contribution received in loving memory of Mr. Sam Shear. Mr. Shear, along with the late Rabbi Leib Heber, founded the organization for the purpose of promoting community awareness of the mentally impaired and physically handicapped members of the Jewish faith who reside in institutions and who have no family members living close by. The monies received by the organization cover the expenses of the volunteers who visit the institutions on a regular schedule and provide companionship, love, and Kosher snacks. We co-ordinate our activities with the clergy of other faiths, and we have received many compliments for our outstanding achievements.

May we all be blessed with happy memories of Mr. Sam Shear and derive strength to carry on this project which was so important to him. Many thanks to you for remembering Mr. Sam Shear and for your kind and generous contribution.

Sincerely,
Bernice Elinoff, Co-ordinator of Projects
Marian Hershman, Treasurer
