SONG TO PRESIDENT

(To tune of Ba Mir Bis Du Schein)
Jean, dear, you're a hit, We could say "bala,bala"
With us, you've got it And of course "Hunderbar"
With us, you're the finest These words just help us
in the land tell you
Just HOW GRAND WE THINK
YOU ARE!
We're really quite aware
How jobs can grey your hair
And do, we now give you one
big hand.
So, Jean, thanks a lot
You've helped us in a
spot.
With us, you're the fin-
est in the land.
