Call meeting to order.

Give opening remarks. Greet everyone - glad to see them all, etc.

Explain "Gila."

Call for opening prayer - Gerty Newman.....Comment on it. Thank Gerty.

Because there are new faces here tonight, I'd like to go around the room and have everyone introduce herself and say a few words of background, if she'd like.....Thank you all.

Since we are a brand new group, there are no minutes nor reports. Instead, we will take a little time to look at where we stand now. The purpose of this group is to re-acquaint, re-educate, re-interest, and re-involve women who may have been recently inactive in Hadassah and get them to renew their support of Hadassah's projects. We all have limited time and availability, but we need women who are willing to give a little of their precious time in helping fill the jobs that must be filled in order to make this group a successful one. Please look carefully at the list on the clipboard.
