Poale Zedeck Men's Club

Dear Mr. Klein:

Allow me to take this opportunity to thank your hard working Men's Club for the \$3,000.00 they gave to the parent organization to be applied towards the purchase of the house adjoining the Synagogue to be used as a school building.

I am happy that the Men's Club is part of this project and may I say in the name of our Synagogue best wishes and further success to all your members.

Sincerely yours,

CONGREGATION POALE ZEDECK
