Dear PJC Members,

I am pleased to announce that Rabbi Benzaquen has accepted our offer. He appeared to be excited and pleased to be coming to Pittsburgh. Many of our members had an opportunity to meet the Rabbi on his visit here before the High Holidays. I received positive comments by everyone.

We will hold a General Meeting of the Membership this coming Sunday Night, October 14<sup>th</sup> at 7:00 P.M.. Our constitution requires that a vote of the membership be conducted. I hope your family will be represented as your vote counts.

My thanks to the Search Committee, chaired by Harold Bloomfield and including Dr. Charlie Rubin, Edy Dickman, Marvin Heyman and myself. The committee worked well together and did an excellent job.

In my Kol Nidre speech, I promised positive change for Parkway Jewish Center, this is the first giant step.

See you on Sunday Night.....

*Bob*
