The State of Israel
honors

THE JOHNSTOWN
\$515,500
AREA
BANKING
COMMUNITY

OVER HALF A MILLION DOLLARS . . .

That is how much the Johnstown Area Banking Community has invested in the growth and development of the State of Israel since 1964. This year, as we mark the 10th anniversary of this continuous support of Israel by our banks, the grand total of their generous purchases comes to \$515,500.

The Johnstown Area Israel Bond Committee has chosen to honor those banks, which, despite the high interest rates and the uncertain economic future, have once again rallied to the support of the State of Israel.
