Dear Member:

Re: Building Fund

We have spent many hours wondering what would be the best way to approach you in regard to getting your pledge for our Building Fund. Quite frankly, we did not come up with any sensational ideas. Time is passing, and we cannot delay any longer, so we'll just have to take a straightforward, lay-it-on-the-line approach.

For the future of our Center, we must have our own building!

We are very flexible in regard to the amount of your pledge, the payment plan, and even the length of the pledge period. However, we expect that everyone will commit himself to give something! Unless we get universal support from the congregation, we will recommend to the Board that we suspend the Building Fund pledges. This effort requires each and everyone's cooperation--or our efforts will be for naught.

In the next few weeks, we will contact you to discuss your pledge. Please don't let the Center or yourselves down.

Sincere thanks,

THE BUILDING FUND COMMITTEE
