Re: Eli Jacobson

Dear Mr. Lichtenstein:

The repayment plan of Eli Jacobson to the North Hills Jewish Community Center which was submitted under your cover letter of September 20, 1976 was presented to the Community Center at their Fall General meeting last night.

After a lengthy discussion, Mr. Jacobson's proposal was rejected by the congregation and a resolution passed directing the Board to file a criminal complaint in this matter.

The appropriate measures to institute such action will be taken ten days after date unless Mr. Jacobson revises his proposal to include a substantial down payment and appropriate guarantees securing the indebtedness.

Very truly yours,

LEVEN, SURLOFF, MENDELSON
& CRISANTI
