Dear Gil:

I want to take a few minutes of your time to express some long over due thanks from myself and the entire board and membership of the North Hills Jewish Community Center.

These thanks are due for the many hours you invested in pursuing "the cause of justice" on our behalf, and the numerous other legal matters which have come up over the past several years. Our thanks should be extended not only to you, but to your associate Mr. Surloff, and to your father-in-law Mr. Levin.

Without your very excellent legal advise, counsel, action, and able assistance the Community Center would certainly have been strapped financially after the recent devastation.

All of us from the Community Center send all of you our thanks and best wishes for a very healthy, happy and prosperous New Year. I hope that in the years ahead that we would call upon you only to help us with "mitzvah".

Sincerely,

Bernard I. Cohen, M.D.
